enters into the salient features of the case. The petrs plea that he should be accountable to only a half share of the joint liabilities cannot be recognised. It is not clear under the circumstances how a reference to civil court will be helpful to petrs.

Rule 6 (2) published under Rgstn F 3507/Legis 21-06 & 18-5-07 distinctly says now that Every order made by the Rgistrar under these rules shall be final & conclusive'. Consequently no appeal lies to the Govt. submitted.

Please see marginal remarks on page 1 by Mr. Ramaswami Iyengar C. worker Bd-II. I have ascertained that the petr has paid away the amount in full to the Co-operative Society. Nothing more requires to be done. It is perhaps well to return the 2 Rs worth of Court-fee

Petition as shown below, to His Highness the Maharaja, is transferred to the Secretary to the Government of His Highness the Maharaja of Mysore, General and Revenue Department (Br: V), Bangalore, for disposal.

No. 127 9-14-15

By Order,

I.C.S.,
Private Secretary

To,

H I S H I G H N E S S

Sree Krishna Rajendra Wadeyar Bahadur G.C.S.I.,

M a h a r a j a of M y s o r e,

M Y S O R E.

The humble memorial of Mysore Gopala Krishna Sastry the painful sufferrer by the illegal and irreasonable judgment of the learned Registrar of the Co-operative in Mysore, residing in Chickapetta, Bangalore City.

May it please Your Gracious Highness,

The memorialist begs to say that Your Gracious Highness is the suoreme authority in the Government of Mysore and Your Highness' order is therefore undoubtedly above the Law.

The Government of Mysore by Your Highness' approval, hav introduced the Co-operative Societies in Mysore to the good o the general public with a good and broad motive and to the -- efficient management of the Societies they have also framed Rules and Regulations.

The Government of Mysore is not judicious enough to em- power the Registrar with a full power without reserving in -- them the power of appeal to give full justice to the suffer- ring party by the decision of the Registrar.

The Regulation now framed by Government to the efficien nanagement of the Co-operative Societies in Mysore, is there fore entirely defective and it very badly requires and amend- nent to give an impartial justice to your loyal subjects at - large.

The memorialist begs to say that the decision now ar- rived at by the Registrar in his O.S. No.115 of 1913-14 is unsound by meaSons and bad in Law, as it has exceeded his ---

his power for not paying his attention to the Rules framed to bind the members of the Societies as well as the Registrar. Since the decision have been passed contrary to the Rules --- framed by the Government, the appeal to the Government is --- therefore necessary.

The appeal was accordingly filed against the decision to the Government in due time but it was refused for want of --- power to them in the Regulation, prayers to reconsider the -- fact found useless.

Your Highness' power is so very supreme that Your gracious Highness can grant forgiveness to a prisoner who has been found guilty by the Judges of the Chief Court of Mysore and sentenced him to death for the crime done by him.

The memorialist most loyally begs Your gracious Highness to forward this memorial with its enclosure to the Government of Mysore to decide the case according to merits of the case hearing the grievances of the memorialist in shape of appeal.

The memorialist begs to say that the order or decision of the Registrar, if placed in execution at the hands of the ---- Deputy Commissioner, the poor memorialist will be ruined ---- entirely. The memorialist therefore loyally begs leave to -- pray Your gracious Highness to pass a prohibitary order pending the disposal of the appeal.

He begs leave of Your gracious Highness

Most obedient & loyal servant.

The Secretary to the Government of His Highness the Maharaja of Mysore, General & Revenue Departments.

An appeal against the decree of the Registrar of Co-operative Societies in Mysore in his O.S. No.115 of 1913-14.

Mysore Gopalakrishna Sastry the 1st Defendant in the case begs to prefer an appeal for the following reasons:

1. The learned Registrar declined to accept the written statement filed by the Defendant the undersigned.

2. The learned Registrar refused to record his reasons to do so and refused to record his oral statement made before him.

3. The learned Registrar declined to examine the witnesses, the officials of the Society nominated by the Defendant.

4. The learned Registrar refused to refer the case to the Civil Court to have there a regular enquiry to bind both the ----- parties to bonafide decision arrive at in the matter.

5. The learned Registrar is wrong and have bad intention in not granting the copy of his decision earlier than 23rd May when it was actually applied on 31-4-14.

6. The learned Registrar is wrong and unsound in reason in deducting the Provindent Fund of the 1st Defendant that were in he Society to the joint debt, of the two Defendants at the time of judgment of the case or the time before the suit.

7. The learned Registrar has failed to pay attention to the Rules No.J 3507 L 21-06-3 dated 18th May 1907 when its paragraph 2 and bind him to do so

8. Cir.No.J 982 L 27th September 1905, by its para 5 reserves the right of appeal with the Government when the ----- Registrar declined to register the Society when he applied, the -- Government have not have refused to have the power of appeal against the decision of the Registrar who may apt to commit injustice binding to human nature.

9. The present decision of the learned Registrar is unsound by reasons and is against law and practice for want of judicial experience to the young and unexperienced gentleman who seems to think himself that he is above law and his orders are always final in the Government of Mysore.

10. The undersigned sincerely prays either to remand the case to the Registrar for detail enquiry or to refer the case to the Civil Court to decide it according to the merits of the case, who alone can give due weight to the written statement the evidence and exhibits in the case hearing the party and the Advocates on both sides.

The undersigned further begs to ~~[illegible]~~ pray to issue prohibitary order to the Registrar not to put his decree or order in execution pending the disposal of this appeal.

I solemnly affirm that what I have stated is the whole truth and nothing but truth.
